---

JEFFERSON CITY – State Sen. Delbert Scott, R-Lowry City, recently added new cuts to his audio page located on his Missouri Senate website. This page features broadcast quality audio links for visitors to listen to Sen. Scott address issues that are important to him and the citizens of the 28<sup>th</sup> Senatorial District.

The new audio clips on his page feature Sen. Scott discussing [Senate Joint Resolution 31](#), which would re-affirm the right to free religious expression. The resolution, if passed, would go on a future ballot.

Senator Scott will continue to add audio clips weekly throughout the 2010 legislative session and periodically during the interim. To view Sen. Scott's audio page, visit <http://www.senate.mo.gov/multimedia/scott/audio.html>.
